

# Commercial Conservation Custom Rebate

## INSTRUCTIONS

1. Customer or contractor fills out form on Greater Minnesota Gas website to request rebate for upgrades.
2. GMG partner Neighborhood Energy Connection collects technical specifications by phone or email, and adds to this form.
3. Customer completes and signs this form, and sends to NEC at address below with a copy of paid invoice including the brand, complete model number and serial number. This form must be submitted within 90 days of installation date or postmarked by December 31st of each year whichever comes first.
4. GMG applies rebate to the next customer bill of the party checked below, or sends check to contractor if rebate deducted on invoice.

## REBATE RULES

- ) Equipment must be new. For conversion rebates, please call GMG or visit our website.
- ) Equipment installed under free warranty replacement does not qualify for the rebate.
- ) Equipment must be installed by a contractor with all necessary licenses.
- ) Equipment must be installed at a GMG commercial natural gas customer in Minnesota.
- ) Renters must have landlord/owner approval.
- ) Rebate funds are limited and will be paid on a first-come, first-served basis.
- ) Greater Minnesota Gas, Inc. is not responsible if a dealer provide inaccurate information about the amount of rebate or equipment eligibility.
- ) Customers upgrading heating systems under 225,000BTU may use the standard rebate form on our website.
