www.greatermngas.com

Program Dates: January 1, 2010 through December 31, 2010

Rebates will be issued for equipment installed between January 1, 2010 and December 31, 2010. **There is a maximum rebate credit of \$345.00 per Greater Minnesota Gas, Inc. customer account.**

Please send completed form to: Greater Minnesota Gas, Inc., Attn: Rebates, P.O. Box 303, Saint Peter, MN 56082

The following qualifying equipment for 2010 must be installed in a home served with natural gas from Greater Minnesota Gas, Inc. It is the responsibility of the dealer and purchaser to ensure that the installed equipment qualifies for the rebate. If the equipment does not meet the requirements, no rebate will be issued.

- New Furnace (must be 92%AFUE or >) or Converted Furnace - \$100.00 Rebate
- New Water Heater (must be .64 EF or >) or Converted Water Heater - \$ 125.00 Rebate
- Residential Programmable Thermostat - \$20.00 Rebate
- Residential Swimming Pool Thermo Blanket \$100 Rebate

Heating dealers are not eligible to receive their customer's rebate. Building contractors should negotiate with homeowners to determine who will receive the rebate. Equipment installed under free warranty replacement does not qualify for the rebate and participants must be a GMG natural gas customer living in Minnesota, a residential customer (4 units dwelling or less) and renters must have landlord/owner approval.

Greater Minnesota Gas, Inc. issues rebates in the form of utility bill credits. Rebates will be credited to the applicant's GMG account within 4-6 weeks. Note: Rebate funds are limited and will be paid on a first-come, first-served basis.

Please complete all sections of the form below. Incomplete application forms will not be accepted and will be returned. Greater Minnesota Gas, Inc. is not responsible if the dealer does not provide accurate information about the amount of rebate or equipment eligibility. A copy of a dated sales or conversion invoice including the brand, complete model number and serial number must be included with this application. This form must be submitted within 90 days of installation or conversion date or postmarked by December 31, 2010, whichever comes first.
